

Here are the leaked tape conversation between Amar Singh and some of the Corporates:

Amar Singh and Head of Jaypee Group Discussion on Cement Bid

Amar Singh: Hello

Jai Prakash Gaur: Namaste, Jai Prakash speaking

Amar Singh: Namaste, best wishes for Deepawali

Jai Prakash Gaur: Same to you

Amar Singh: Many pranams to you

Jai Prakash Gaur: Are you well?

Amar Singh: Yes alright...do you wish to take the Mirzapur bid for cement?

Jai Prakash Gaur: Yes, yes

Amar Singh: What?

Jai Prakash Gaur: Yes, the bid is on the 15th?

Amar Singh: Yes, there is a bid

Jai Prakash Gaur: Yes sir, will surely take it

Amar Singh: Alright

Jai Prakash Gaur: Actually I am stuck in Rewa

Amar Singh: Hmmm

Jai Prakash Gaur: So this will suit me...you get a 'siding' in it

Amar Singh: What?

Jai Prakash Gaur: You get siding from the railways in this

Amar Singh: hmmm.hmmm

Jai Prakash Gaur: I have no siding in Rewa

Amar Singh: Yes....yes

Jai Prakash Gaur: So...that advantage always remains

Amar Singh: Your competition is with Laapaal

Jai Prakash Gaur: Yes with Laapaal and another

Amar Singh: With Birla

Jai Prakash Gaur: Yes with Birla and Dalmia

Amar Singh: Yes, with Dalmia

Jai Prakash Gaur: There are three...

Amar Singh: You have never told me but see how much I care for you

Jai Prakash Gaur: Of course...ha ha ..you do take care of me...

Amar Singh: Yes, yes

Jai Prakash Gaur: When can we meet...hello

Amar Singh: Yes, who can stop you from meeting

Jai Prakash Gaur: No -no, even then...you were busy in Bihar so i didn't disturb you

Amar Singh: Yes

Jai Prakash Gaur: I will come on the 3rd to Delhi

Amar Singh: Ok you come on the 3rd ...Your Guru Nanak is also coming

Jai Prakash Gaur: Ha ha ..my Nanak is sitting here talking to me

Amar Singh: Do come, you are welcome on 3rd...I will be

here, we will meet

Jai Prakash Gaur: Very well then, I'll come

Amar Singh and Kushagra Bajaj

Kushagra Bajaj: Dada, thanks a lot... I called to say the policy has been cleared... I just got a call from Sharma ji, that it has been cleared... it's cleared in the Chief Secretary's meeting. We will get the Eligibility Certificate tomorrow, He had received a call from Rahul Bhatnagar...

Amar Singh: There is only one thing I have to say, Beta. Do not take it otherwise. Nobody is closer to me than you are. I am telling you... keep in touch with Salman... keep in touch with the BJP. I am giving it to you in black and white... no one can do things for you like I do. Whatever you wish will happen, as long as I remain in power...

Kushagra Bajaj:Dada, what are you saying, I consider you as my father not a politician of Samajwadi Party, I say this from my heart. This is not emotional. I am saying it after considerable thought. I have blind faith in you.

Amar Singh: That is why I am telling you, that you get all your work done. Because if we do not remain in power... it is not reversed, and the way that you have grown (your size has increased) then... you'll be free and nobody will be able to touch you. Once you are set, no-one can up-root you. The Eligibility Certificate has been received. Then the Sugar Policy has been made...

Kushagra Bajaj: That is right. Now we'll begin to get money... long term perspective is that because the policy is valid for 10 years and if the ISMA files any legal case, I too have a right to be heard in the Court independently of the government of UP.

Amar Singh: Suppose the government changes and they do not cooperate with you...

Kushagra Bajaj: Forget about it. I don't foresee any chance of this happening. But even when this government is in power, if the ISMA files a case, at any time, then there are two parties now - one is the government of UP and another me... I can go and say that the government of UP made the policy and based on that I invested, what is my fault in this?

Amar Singh: This is to tell you that Rahul Bhatnagar and... has done it and not Meera.

Kushagra Bajaj: For me, Rahul Bhatnagar or Amar Singh... there is only one person, Meera and Rahul Bhatnagar are nothing if you would not speak to the Chief Secretary. Had you not spoken to Deepak Singhal ji - and to Atul Chaturvedi, then what could Rahul Bhatnagar have done?

Amar Singh: No, no, I have talked to each and every one... but also do some drama, baba.

Kushagra Bajaj: I had already told you... and if I ever get a chance in life, I do not know if I can ever repay you in gratitude even 1% of what you have done for me... I would die in peace.

Amar Singh: I have only this request of you, as a leader you should fix a meeting with Vivek and Dhruv too. In my party I abuse two persons most... Beni Prasad Varma and Pandey. But I also keep bearing their abuses... because I think I am so bigger than them in stature that I should ignore them. I am not saying that you stop your growth, but to be truly a leader, if someone were to request me with folded hands... I want that all four of us should have a meeting.

Kushagra Bajaj: Whenever and whatever you say

Amar Singh: And without aggression... the way you went and had a meal at K K Birla's house... and said, "Dadaji,

we will have to do this". So you just say "Dhruv, we will have to do this" "Bhai Vivek, we will have to do this" and you are also free to come into our area...

Kushagra Bajaj: Dada, I do not have any problem at all with Dhruv, with him... everything is settled. We talk every 2-3 days...

Amar Singh: OK then, you, I and Vivek should meet.

Kushagra Bajaj: Bring Dhruv also because he is also...

Amar Singh: Look, I am concerned because you are all close... till the eligibility certificate it was my duty, I have helped you grow, prepared the sugar policy according to what you said. Overcome the lacunae... got the sugar policy implemented, got your project set up. My major responsibility is over. Now I should not be branded as I only work for Bajaj Hindustan. Other industrialists should think that I am in the business of governance also. Even though I only work for you...

Kushagra Bajaj: It should be perceived the other way.

Amar Singh: It should be perceived differently

Amar Singh: In the NRI convention... I made Dhruv talk and not you

Amar Singh and Anil Ambani

Amar Singh: No one is in anyone's pocket, except for me in yours and you in mine

Anil Ambani: Yes... hum aapke hain kaun

Amar Singh: Hmm...

Anil Ambani: OK boss, Vinay and Nahata came this morning

Amar Singh: Yes

Anil Ambani: They will get orders worth about 500-800-1000 crores?

Amar Singh: Yes, yes

Anil Ambani: So I have said that without Amar Singh's blessings and approval, you will get nothing

Amar Singh: Yes, yes, very kind of you

Anil Ambani: So, we are meeting today?

Amar Singh: Alright

Anil Ambani: Sir shall I give it to them, after all they are our friends?

Amar Singh: Definitely

Anil Ambani: But first you take your aarti..

Amar Singh: Yes, yes, I'll take the arti, they know that I am the defacto boss/owner of Reliance

Anil Ambani: You can say you are the boss of Anil Ambani

Amar Singh: Oh, as you are younger than me... so all your maal (assets) is mine..

Anil Ambani: Yes, no problem, but this is between you and me only

Amar Singh: Yes

Anil Ambani: Two and a half... 125 million or so.. it's a 700-800 cr order

Amar Singh: 700-800 crores? But what's the income?

Anil Ambani: In this you will earn....

Amar Singh: 70-80 crores?

Anil Ambani: No, 20-25 crores

Amar Singh: Oh that much
